

**Award of CIS Benchmark Assessment Certification
and authorization for limited use of the applicable CIS Benchmarks Certified Trademark**

October 31, 2025

Énok Gábor
Digital Technologies Holding Kft.
1074 Budapest, Vorosmarty utca 15 3. emelet 19-es-ajto, Budapest, Hungary

Based on CIS's review of your company's 10/20/2025 Application for CIS Benchmark Assessment Certification, I am happy to inform you that ConfigCobra 1.0 has satisfied the requirements of CIS Certification and is hereby awarded CIS Benchmark Assessment Certified for the following:

- CIS Microsoft 365 Foundations Benchmark v5.0.0 - E3 Level 1
- CIS Microsoft 365 Foundations Benchmark v5.0.0 - E3 Level 2
- CIS Microsoft 365 Foundations Benchmark v5.0.0 - E5 Level 1
- CIS Microsoft 365 Foundations Benchmark v5.0.0 - E5 Level 2

Grant of Limited Rights

1. Subject to your status as a CIS Secure Suite Product Vendor member in good standing and to your acknowledgment and agreement to the CIS Benchmarks Certified Program Agreed Terms of Use, as documented in your 10/20/2025 Application, CIS hereby grants to Digital Technologies Holding Kft., the nonexclusive, worldwide license to mark ConfigCobra 1.0 with the CIS Benchmark Assessment Certified Trademark, provided that you inform users: (a) in a manner acceptable to CIS that this CIS Certification is limited to the CIS Benchmark that is listed above, and (b) of any limitations in ConfigCobra 1.0's ability to compare a system's configuration to each of the recommended settings in the above referenced CIS Benchmarks.
2. Digital Technologies Holding Kft. shall not have any right to sublicense any of the rights granted to it by this Award.

Congratulations on earning these CIS Benchmark Assessment Certified certifications for Digital Technologies Holding Kft.!

Best Regards,

Perfect Tangban
